DIRECTOR'S CORNER

This new year is off to a frosty start! I hope each of you enjoyed watching the wonder in your children's eyes as they saw the snow fall. That curiosity is one of our favorite emotions to bring out of your children. It is the crossroads between wonder and learning, and also a catalyst for discovery.

We have plenty to discover this month in each class! We hope you share in the excitement as your children come

home with something new they have learned in class. Mid-month we will welcome Howard the Magician and his Frosty Show. It's always a crowd pleaser and sure to bring lots of laughs.

May your new year be filled with discovery and beautiful moments of learning!

Many Blessings!

Kathy Bakken
Director

Strawberry Sunbutter Bites

From Weelicious.com

Ingredients

2 large flour tortillas
4-6 tablespoons SunButter
10 strawberries, thinly sliced

Preparation

1. Place the tortillas on a flat surface and spread each with 2-3 tablespoons sunbutter.
2. Divide the strawberries between the wraps and tightly roll up pressing the edge of the tortilla with sunbutter to adhere.
3. Place the wrap seam side down on a cutting board and cut into 1 inch wheels.
